Luxury has a new address.

At Ceraka, we are passionate about creating beautiful and functional ceramic countertops that elevate your living space. We specialize in crafting extra-large countertops, measuring up to 145 x 305 cm with a substantial 12 mm thickness, perfect for those who desire a grand and expansive look in their kitchens or bathrooms. Our ceramic countertops are not only visually stunning but also incredibly durable and easy to maintain. They are resistant to heat, scratches, stains, and fading, making them a perfect choice for busy households.

Pure Presence

Our countertop ceramics are designed to stand out as the centerpiece of any environment. With their refined textures, sophisticated patterns, and timeless elegance, they effortlessly capture attention and elevate the entire space. Wherever they are placed, they create an unmistakable focal point, leaving a lasting impression of luxury and distinction.
